

Diaconate Highlights

Dear Bethel Church Family,

As we continue to see progress towards the completion of Phase Two of our building project, we give thanks for how the Lord has provided through your generosity and faithfulness.

While it has always been the plan to use resources from the estates to cover any difference between the project's total cost and the amount we have in the building fund, we'd like to finish this job without having to borrow, even from ourselves. That's where you come in. We're inviting you, as our church family, to prayerfully consider three ways in which you might help us complete this project.

1. Fulfill your pledge. If you made a Multiply commitment and have not yet fulfilled it, please consider completing your pledge soon.
2. Join the story. If you've joined Bethel since the building initiative began, we warmly invite you to participate. This project is about creating space for gospel ministry for years to come. So, please give to the building fund as you are able.
3. Give a little more. For those who are able, an additional gift of \$100 per month (\$25 per week) for the next year would make a significant impact and help us finish debt-free.

We are deeply thankful for your generosity and trust in God's provision. Let's continue to look to Him, our faithful Provider, who is able to do far more abundantly than all we ask or think (Ephesians 3:20).

As always, please don't hesitate to reach out to your shepherding team with any questions, concerns, or needs. We're here to serve you with joy and care in the name of Christ.

In Christ,
Ethan Wallace, Diaconate Chairman
