The Daily Dozen

1. Under no circumstances are there to be girls in guys rooms or guys in girls rooms.
2. Under no circumstances should a student wander off alone. Always stay in groups of 3 or more and always take a leader with you. If no leader is available, you will have to wait to go until one is!
3. No alcohol, tobacco, e-cigarette/vaping products, drugs, or weapons of any kind permitted on the trip. There will be a zero tolerance policy with regard to these items and those possessing, consuming, and/or distributing these items will be sent home at their own expense.
4. Limit the use of cell phones and other devices. If this becomes a problem students will be asked to put the device away for the remainder of the trip or have it held by a leader until the end of the trip. This is a great time to unplug and be with people.
5. Modest attire is a must on this trip! Leaders reserve the right to 'censor' any clothing deemed inappropriate. If you have doubts, add fabric!!!
6. Couples are absolutely prohibited from wandering off together. Any conduct deemed inappropriate by leaders will be addressed, and if the case is severe or recurring, students will be sent home at their own expense.
7. Any direction from a leader is to be followed without exception.
8. Attendance at meetings is required unless prohibited by illness or other extenuating circumstances.
9. While at **BPC** or eating out or traveling, students will conduct themselves in a responsible manner.
10. If any of the above rules is violated in a severe manner it is grounds for students to be sent home at their own expense.
11. Students are expected to follow all rules.
12. HAVE FUN!! These rules are designed to maximize fun and enjoyment and to minimize hassles. This will be a great trip!!

I have read and agree to follow the standards stated above. I also agree to submit to the judgment of leaders/chaperones concerning consequences if the rules are violated.
